Kim,

The funding amounts below for FY 15 are correct. The Service Delivery Area is statewide:

FVRI serves Regions 2, 4, 7, 8, and 9, and also Jefferson, Livingston, and Lafayette parishes CTLM serves Regions 1, 2, 3, 5, and 6, and also serves Ascension and Natchitoches parishes

Attached are listings of the subcontractors. Some of them are pregnancy centers. Please let me know if you need more or have questions.

Thanks,  
Julie

Can you make sure that the information below is correct? I have to send it to DHH.

Also, between the two contractors, is the entire state covered? And do you know if they fund any "pregnancy centers"?
